## What's a CWAM LTG MOVEMENT?

Facing the elements of life alone can be devastating. No man or woman is an island. We need each other. CWAM LTG MOVEMENT consist of Church With A Mission Churches,

One can put one-thousand to flight but two can put ten thousand to flight!

mentors, community volunteers, financial supporters, their friends, family members and anyone within their spheres of influence who want to do and grow more for Jesus. Your goals are not only to encourage one another but to become accountability partners as well. **You will have a desire to intentionally and genuinely invest in making new friends**

**with your unsaved associates and everyday acquaintances. Your team will learn to be missional minded by looking for broken or frustrated believers who feel spiritually limited in life or in their service to God.**

Christian Psychotherapist, Larry Crabb in his book, 'Connecting' says, "Ordinary people have the power to change other peoples lives".

"A person standing alone can be attacked and defeated, but two can stand back-to-back and conquer. Three are even better, for a triple-braided cord is not easily broken."

Ecclesiastes 4:12

## What is a Life Transformation Group and how will this all work?

It is a biblical concept of 3 initially introduced by God (Holy Trinity) during creation and all throughout the Old and New Testament (e.g.-3 Hebrew boys, e.g.-Peter, James & John or Jesus on the mount of Transfiguration which included Elijah and Moses which would make three). The most obvious scripture is where Jesus said, "Where two or three gather together in my name, there I am in the midst..." Neil Cole has reintroduced the concept.

He calls it "life Transformation Group" (LTG). It is

a simple way to release the most essential elements of a vital spiritual walk to people who need Jesus to change their lives from the inside out. It fosters transformation at the heart level and empowers believers at any spiritual level to accomplish the radical work of reproducing spiritual disciples who can in turn reproduce others.

Blessed be the tie that

Authentic community and radical obedience to Jesus provides the right soil for the beginning of revival and transformation.

## What does it look like?

**Group of 3:** You and a few friends meeting once a week to talk about Jesus and experience Him together, while considering how to impact the world around you.

**Pre-Christian:** Try to include a seeker in your group so they can experience Jesus with you.

**One hour:** Meet for about one hour each week.

**Same gender:** This allows more authenticity.

**Fun:** Meet with people you enjoy.

**No leader:** You all learn together as equals.

**Two absolutely necessary qualifications:**

\* **Desperate need for Jesus (Lk. 5:29-32)**

\* **Faithfulness in the process itself (2 Tim. 2:2)**
